SUMMARY

Results-driven Full Stack Developer and Automation Engineer with 3+ years of experience building web systems and workflow automations for clients across Pakistan, UAE, and the UK. Specialized in automation-first development and reducing manual operations by up to 90%.

PROFESSIONAL EXPERIENCE

WE BUILD PROFILES
Full Stack Developer | Automation Engineer

Remote Job
October 2025 – February 2026

Architected and deployed end-to-end automation systems for a UAE-based profiles and branding agency, reducing manual operations significantly.

- Designed 10+ automation workflows using n8n, GoHighLevel, and Make.com, cutting manual data entry by 90%.
- Saved the operations team approximately 20 hours/week through intelligent workflow automation.
- Integrated CRM, email, and project management tools via API into unified automated pipelines.
- Built and maintained full-stack web solutions alongside automation infrastructure.

GREYSTONE REAL ESTATE
Full Stack Web Developer

Remote Job
April 2025 – September 2025

Contributed as a full-stack developer on multiple web projects for a UAE real estate company, working closely with designers to deliver polished, production-ready builds.

- Delivered 3 client-facing web projects from design handoff to production deployment.
- Collaborated within a remote team using agile workflows and design-to-code implementation.
- Ensured cross-browser compatibility, responsive layouts, and performance optimization across all builds.

TEN 11 COFFEE BOUTIQUE
Web Designer & Developer

Contract
September 2024 – October 2024

Designed and developed a complete website for Ten 11 Coffee Boutique within a one-month contract, delivering ahead of schedule.

- Built a 10-page responsive website using WordPress and Elementor, aligned with brand aesthetic.
- Improved site load speed by 30% through image optimization and performance tuning.
- Delivered all features on time within a tight contract period with full client sign-off.

DIGITAL SOLUTION DEVELOPERS
Web Developer

Remote Job
October 2023 – March 2024

- Successfully launched 5 client websites on schedule, contributing to agency portfolio growth.
- Collaborated directly with clients to gather requirements and deliver high-quality web solutions.
- Maintained consistent on-time delivery across all projects with zero deadline misses.

THE DIGITAL CREW
Web Developer

Remote Job
September 2023 – January 2024

- Developed responsive WordPress websites, improving user experience and performance for multiple clients.
- Conducted regular site maintenance, reducing downtime by 25% and improving security compliance.

FREELANCE
Web Developer

August 2022 – September 2023

- Delivered 5+ custom web projects for clients in the UK and UAE, covering e-commerce and startup sites.
- Managed full project lifecycle: scoping, development, testing, and delivery.
